

<p>Personal, Social and Emotional</p> <p>In Duckpool class we will: continue to take care of each other and learn to use our school values to make the right choices.</p> <p>Identify and express our feelings and consider the feelings of others.</p> 	<p>Physical Development</p> <p>In our physical development we will: continue to learn to move safely in a space negotiating obstacles. Further develop and refine a range of ball skills including throwing, catching, kicking, passing, batting, and aiming. Use scissors safely and correctly. Develop our handwriting through fine motor skills activities.</p>	<p>Communication and Language</p> <p>We will be learning to: talk about ideas and thoughts in well-formed sentences, connecting one idea or action to another. We will use talk to help work out problems and organise thinking and activities. Explain how things work and why they might happen.</p> 
<p>RE</p> <p>The children will explore what makes us special. During the second part of the term, we will be listening to and responding to the Easter Story.</p> 	 <p>Reception Class Termly Curriculum Overview</p> <p>Spring term 2026</p> <p>'Weather & Seasons'</p> <p>'Growing Plants & Lifecycles'</p>	<p>Expressive Art and Design</p> <p>As artists, designers and musicians we will: create collages to represent different Seasons/Weather. We will continue to use different creative materials such as dough and clay to make and create. We will explore painting and use a variety of tools. We will explore what happens when colours are mixed.</p> 
<p>Literacy</p> <p>As writers and readers we will: continue to form our letters correctly. Use our phonic knowledge to continue to be able to blend and read CVC words. In our Read Write Inc sessions we will learn new sounds daily and use these sounds to read and write. We will share stories about weather, seasons and growing.</p>  <p>Please listen to your child read every day and record in their Reading Record.</p>	<p>Mathematics</p> <p>As mathematicians we will: begin using number rhymes using amounts up to 10. We will explore how numbers can be represented in a variety of ways. We will be working on recognising number patterns to 10 without needing to count them. We will be learning to make patterns, describe shapes and build puzzles.</p> 	<p>Understanding the World</p> <p>As geographers, historians and scientists we will: explore the weather and the seasons. The children will investigate growing plants and explore the lifecycles of animals and minibeasts.</p>  

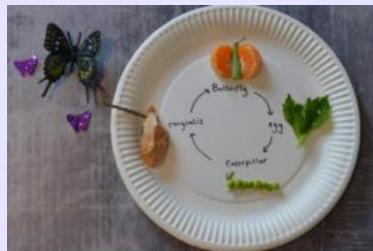

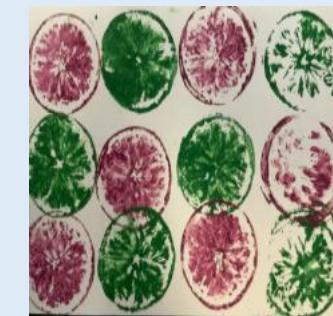

EYFS Class Homework Projects

Spring term 2026

Alongside the regular reading homework, we have some exciting projects for reception to explore at home.

1. Explore making and talking about repeating patterns, be creative...you might make patterns with natural items you find outside, use food, print or draw....

2. Share your understanding of Weather and Seasons, Growing Plants and Lifecycles by drawing, creating or investigating.

3. Explore colour mixing!
Be as creative as you wish.

Be as creative as you wish. Remember colour mixing can be explored using paints, ice, icing, chalks and many more items.

You are invited to do project 1, 2 3 or all of them! Please save your completed project work to share with your friends and families at an open afternoon on Tuesday 17th March at 2:30pm.

If you wish to take photos of your ongoing projects, please do so, we will be delighted to share them!
